

## ***Advertising Age names McDonald Marketing one of Top U.S. Ad Agencies from All Disciplines for 2009***

*Dallas, TX May 1, 2009*

Each year, Advertising Age creates a list of the Top U.S. ad agencies from every discipline: general market advertising, multicultural marketing, interactive marketing, direct marketing, etc. This year, McDonald Marketing made the list for the first time.

Kelly McDonald, the president and owner of the agency, stated "We're proud to be listed among the top agencies in the country and equally proud of the clients who helped us get there."

The 65th annual [Advertising Age Agency Report](#), published April 27, 2009, was produced by the Ad Age DataCenter. The report appeared in Ad Age's print edition and on AdAge.com. It includes rankings of more than 900 advertising, marketing-services and media agencies.

McDonald Marketing is a full-service Hispanic marketing and advertising agency in Dallas, Texas. It is a woman-owned business and is a certified minority business. The core capabilities at McDonald Marketing are marketing consulting, strategic planning, translations and transcreations, advertising (media planning and placement, creative, production, POS) and professional speaking.
